Jean and Tom went to this park.
The weather was nice.
At the gate it said,
"Keep this park neat."

“We will treat it well
so that we can enjoy it again,”
Tom said.

"Look at this wealth of trees!"

Jean cried.

"These reds and yellows are
a nice treat."

Tom asked Jean,
"Can we play with that team?"
They played three games.

Then Tom sketched the sky on his art pad.

Jean tried to sketch a dried leaf instead.

She made it look nice.

At the lake, Jean and Tom
got to feed the ducks
and see big fish.

At last this fun day ended.
"Such a nice day!" Jean cried.
"It seemed like a dream."
